ea Willi Eutonionia construction.

The capital outlay projects for the Walker County School District are: (a) renovations, additions, improvements, and equipping of existing schools; (b) acquisition, construction, and equipping of auxiliary gymnasiums at Chattanooga Valley, LaFayette, Rossville, and Saddle Ridge Middle Schools; (c) acquisition and equipping of school

tanooga Valley, LaFayette, Rossville, and Saddle Ridge Middle Schools; (c) caquisition and equipping of school buses and maintenance vehicles; (d) resurfacing and replacement of tennis courts at LaFayette and Ridgeland High Schools; (e)paving and repairing of parking lots and entrance roads; (f) acquisition, construction and equipping of a new high school; (g)acquisition and upgrading of technology, computers, and e-books, including expansion of the technology plan to improve student to device ratio; (h)renovations, improvements, and equipping of existing athletic facilities system-wide; and (i) acquisition of any property, both real and personal, and equipment necessary in connection with the above described capital outlay projects, and for future schools, facilities, administrative offices, support services, and other purposes of the Walker County School District.

tive offices, support services, and other purposes of the Walker County School District.

2.Plans and specifications for the above-described capital outlay projects have not been completed and bids have not been received. Depending upon construction costs and available funds, it may not be feasible for the Board of Education of Walker County to construct all of the projects listed.

The maximum cost of the capital outlay projects to be funded with Educational Sales Tax proceeds received from this Educational Sales Tax referendum, including interest, capitalized interest, and costs of issuance on the general obligation debt to be incurred, shall be approximately \$31,968,000. The Walker County School District may utilize such other funds as may become lawfully available to pay any costs which exceed such maximum amount. To the extent possible, the Walker County School District intends to combine its available State of Georgia funds with revenues from the one-percent sales and use tax and any other available funds to finance the projects. Depending upon acquisition and construction costs and available funds, the Walker County School District may choose which capital outlay projects to undertake or not undertake and the priority for undertaking each project, or may delay the same until additional funding is available, to the extent that proceeds of the Educational Sales Tax and the general obligation debt, together with other available funds actually received by the Walker County School District, are insufficient to complete any of the capital outlay projects.

3. Authorization of General Obligation Debt.

(a) If imposition of the Educational Sales Tax is approved, and if more than one-half of the votes cast in the Walker County School District are in favor of the imposition of the Educational Sales Tax, such vote shall constitute approval of the issuance of general obligation debt of the Walker County School District in an aggregate principal amount not to exceed \$16,500,000 to finance the capital outlay projects described above. The maximum interest rate or rates such general obligation debt shall bear shall be six percent (6.0%) per annum and the final maturity of such debt shall not be later than calendar year 2027. The maximum amount of principal to be paid in each vear during the life of such general

The Board of Education of Walker County may issue general obligation debt which is less than \$16,500,000 and

reduce the principal amount maturing in each year from that shown above.

in each year from that shown above.
